

# FAIRplus Innovation and SME Forum: Implementing FAIR data principles in life science research

17 May 2022 (Hybrid event)

Venue: Fraunhofer-Institut, Anna-Louisa-Karsch-Straße 2, Berlin, Germany

## PROGRAMME

**09:00** Welcome coffee/tea

**10:00** Welcome to the event / FAIRplus project: Looking backward - Looking forward  
**Serena Scollen** (ELIXIR) & **Herman Van Vlijmen** (Janssen)

**10:30** Session 1: Progress of FAIRplus and FAIR cookbook

Moderators: **Philip Gribbon** (Fraunhofer) & **Dorothy S. Reilly** (Novartis)

- **Overview of the FAIR cookbook: How to use it? How to contribute?**  
**Philippe Rocca-Serra** (University of Oxford)
- **FAIR Data Capability Maturity Model**  
**Ibrahim Emam** (Imperial College London)
- **Examples from the FAIR cookbook:**  
**Jolanda Strubel** (The Hyve) ; **Wei Gu** (University of Luxembourg) ;  
**Vassilios Ioannidis** (Swiss Institute of Bioinformatics)

**12:00** Lunch break

**13:00** Session 2: Applications of the cookbook and experience built through IHI projects

Moderator: **Tony Burdett** (EMBL-EBI)

- **Experiences from the Innovative Health Initiative (IHI)**  
**Colm Carroll** (Innovative Health Initiative)
- **Introduction to FAIRplus Fellowship Programme**  
**Andreas Pippow** (Fraunhofer Institute)
- **Examples of FAIRification in industry (FAIRplus Fellowship programme)**
- **Motivation and benefits in applying FAIR**  
**Arete Manola** (Janssen)

**14:30** Coffee break

**15:00** Session 3: Discussion on the FAIR future

Moderator: **Herman Van Vlijmen** (Janssen)

- **Panel discussion:** Current practises, costs and benefits of FAIR Implementation in research and development  
Panelists: **Kostas Repanas** (European Commission) ; **Carole Goble** (University of Manchester) ; **Bérénice Wulbrecht** (ONTOFORCE) ; **Colin Wood** (AstraZeneca)
- **Presentation:** Strategic partnerships under FAIR principles  
**Thomas Liener** (Pistoia Alliance)
- **Presentation:** Cookbook, an example of sustainable action  
**Susanna Sansone** (University of Oxford)
- **Presentation:** Sustainability of FAIR  
**Nick Lynch** (Curlew Research)
- **Wrap-up**  
**Serena Scollen** (ELIXIR)

**16:30** Networking session - Drinks/Finger food
